

What A Tract Can Do

**A tract is a silent missionary,
A faithful missionary,
A tireless, continuous and
economical worker.**

**It is a worker that can
repeat itself many times,**

**Never angers,
Never contradicts itself,**

Touches multitudes,

Can go anywhere,

Stays on the job,

Needs no vacation,

Is fearless,

Goes where you cannot,

Needs no salary,

Never gets sick,

Needs no building,

Is easily available,

Heeds no opposition,

Travels in pockets,

Persists in calling,

Speaks many languages,

Takes no offerings,

Has much patience,

Depends on the Holy Spirit,

And preaches until extinct!

This is what a tract can do!!!
